

Hi,

Hope this finds you and all yours well.

Due to the ongoing Covid-19 restrictions, we are unable to run our usual project open day for you to come and view the final project being prepared for submission into the planning system in late November.

We have therefore prepared an on-line presentation of the project which can be viewed on our website www.castlebannywindfarm.ie.

If you require any assistance on how to use the tools or navigating around the on-line presentation, do contact me.

Many thanks,

Shane Lowry,
